

Project Management

We provide complete solutions for both residential and commercial property. From start to completion we will provide you with the expertise you need to make your plan a reality and keep the project on budget. Our clients include Weatherfords, Senegy, Ithaca Energy, the Craighaar Hotel and Servicepoint. As this side of the business grows it is our intention to move this part of the site to www.jfkpropteties.co.uk, concentrating more on management of bigger facilities. If you are interested in speaking to us further about any projects you have coming up, please contact us on 01224 279700.
